

DROMOLAND CASTLE

DISTINCTION SINCE 1543

Dromoland Castle is one of Ireland's finest castle hotels, tracing its history back to Gaelic royal families. This secluded castle located just 12km from Shannon International Airport is majestically set on the shores of Lough Dromolond, surrounded by over 450 acres of breath-taking scenery; encompassing a championship parkland golf course.

The Castle retains all the splendour of its rich and storied history. Lavish interiors, fine food and wines complement the deluxe accommodation of the Castle's 99 guest rooms, which a luxury spa further enhances this unique guest experience.

With a reputation built on traditional values and warm hospitality, Dromoland seamlessly blends old world elegance with contemporary luxury. Only the highest levels of comfort and service are offered, attracting discerning guests to return time and again to Dromoland Castle, one of the world's most desirable destinations.

- Hair dryer
- Signature bathrobes and soft slippers
- Iron and Ironing Board
- Range of Asprey London "Purple Water" line of toiletry amenities
- In-room safe

DINING, RESTAURANTS AND LOUNGES:

Earl of Thomond is an award-winning restaurant of international renown. Elaborately decorated with oak wainscoting and other formal features, the dining room is graced by the soothing tones of a traditional Irish harpist. Under the careful guidance of Executive Chef David McCann, the restaurant offers a relaxed but elegant dining experience featuring innovative cuisine served with tradition and a hint of creative flair. A la carte, five-course table d'hôte and vegetarian menus are available.

The *Cocktail Bar*, formerly the Castle's study, offers spectacular views of the fairway alongside a gently burning fire. It is a restful haven for daytime refreshment and an atmospheric nook by night, occasionally enlivened by a few heartily-sung Irish ballads.

The Gallery serves as a relaxing gathering spot where guests may partake of a wide range of both classic and innovative snacks and light meals from luncheon through the evening.

The Fig Tree Restaurant (situated at the Golf & Country Club) offers menus tailored to more informal dining from noon to late evening.

SPA AND FITNESS FACILITIES:

A haven of calm and tranquillity, *The Spa at Dromoland* located within the Castle walls, it was exactingly designed to provide the ultimate spa experience with 6 treatment rooms and an exterior hydro therapy pool.

Additional Facilities include an indoor swimming pool, sauna, steam room, Jacuzzi and fully-equipped gymnasium.

GUEST ACTIVITIES:

Golf & Academy:

The Castle grounds host an 18-hole championship golf course re-designed by Irish golfing legend J.B. Carr together with one of golf's great golf course architects, American Ron Kirby. The affiliated Golf Academy is a truly unique practice facility – one of the best in Ireland -- that includes 10 fully automated driving bays, putting greens and a bunker.

Pony & Trap:

Relaxing on an informative 30-minute ride with Sean on the estate's pony and trap provides a delightful introduction to the history of the Castle and estate.

Fishing:

Fishing can be arranged on Lake Dromoland, which is well-stocked with trout, perch and other coarse fish. Guests may fish from the banks or one of the estate boats. Expert assistance from the estate's ghillies is available by prior arrangement.

Tennis:

Two all weather outdoor tennis courts are available.

Walking and Jogging:

With over 450 acres of idyllic mature woodland and feral lakes, Dromoland has a number of pathways offering varied and interesting routes. Wildlife on the estate includes native red deer, pheasant, partridge and many other country fauna.

Cycling:

The Castle offers mountain bikes on a complimentary basis for guests who wish to pursue the many laneways and byways of the estate.

Clay Shooting & Archery:

These classic Castle pursuits are available to guests.

Falconry:

Guests have a rare opportunity to experience live birds of prey on an introductory "Hawk Walk". Instructors share their knowledge of the natural history of raptors, the role they play in the ecosystem and the environmental threats they face, as well as the basics of the ancient sport of falconry
